The Priority Occupations listed above are required by the Workforce Investment Act for the approval of training provider coursework on the statewide list of eligible training providers. Coursework normally results in more than one occupation. For example, training for Dental Assistants can result in either a Dental Assistant or a Dental Hygienist.

More information on occupations may be found at your local workforce center or on the internet at Tracer at <http://www.tracer2.com/> (Career Resources); SOCRATES at http://socrates.cdr.state.tx.us/iSocrates/occprofiles/profile_select.asp; or <http://online.onetcenter.org/>
